

# Quick Tips

## Customize Online Banking

### Account Nicknames

Using nicknames is a helpful way to make managing a large number of accounts quick and easy.

When you click on an account inside online banking, the account number assigned to that account will display in the black header about the account detail.

Account Number	Available
10042599301	Available
As Of Date	Current B
4/7/2017	Current B
Interest Rate	0.10 %

Note: To quickly identify your accounts from our old system using the account number, see the table below.

	Start with...	Contain...	End with...	Example:
<b>Savings</b>	100	Account # from old system	Two-digit identifying suffix from old system	100 425993 01
<b>Checking</b>	75050	Account # from old system	n/a	75050 0425993 always 12 digits
<b>Loans</b>	200	Account # from old system	Identifying Suffix from old system	200 425993 3
<b>Home Equity</b>	Identifying Suffix from old system	Account # from old system	n/a	89 00425993 always 10 digits
<b>Visa</b>	n/a	n/a	n/a	Random*
<b>Mortgage</b>	n/a	n/a	n/a	Random

Example using Account Number 425993

\*For added security, the number assigned to your VISA line of credit account is different from your card number.
