

Quick Guide

Mint (Online) Guide

If Mint.com is no longer functioning after the UCCU System Upgrade on April 3, 2017, please follow the steps below.

Step 1: Log in to Mint

Step 2: Go to Settings

- Find your UCCU Accounts
- Click on the **Gear**
- First try **Refresh** if that doesn't work try **Edit Login**
- Enter in UCCU Credentials to link account.

If you need further assistance with this issue, please contact Mint directly at:
<https://help.mint.com>

Most connectivity problems can be resolved by following the detailed instructions above. If you need further assistance, you can contact Intuit directly at 1 (800) 446-8848. Another option is to schedule a call with a UCCU representative for assistance at (801) 223-8188.
